

Brussels, 23 March 2022

Vacancy: Regulatory and Scientific Manager

Experience: ca. 3-5 years

Location: Brussels

About Specialised Nutrition Europe (SNE)

Specialised Nutrition Europe (SNE) is the voice of the specialised nutrition industry in Europe. Specialised nutrition is tailored-made dietary solutions for populations with very specific nutritional needs. These include infants and young children, patients under medical supervision, sportspeople, overweight and obese consumers, and those suffering from coeliac disease. With 19 national associations as members across Europe, a Brussels-based team and a network of top-notch experts, SNE interacts with stakeholders across Europe and beyond.

Position

The Regulatory and Scientific Manager will:

- advocate on food safety and other issues relevant to SNE;
- develop and implement strategies for advocacy and projects;
- manage certain SNE working groups, projects and relations with stakeholders;
- collect input and data from the SNE membership;
- draft position papers, consultation responses and other resources;

Profile

- Completed higher education in a relevant field (most likely food law, nutrition, food safety, food technology or related studies);
- Previous work experience of at least 3 years, including some experience on food law, food safety or nutrition and some experience in EU affairs;
- Advanced knowledge of the functioning of the European institutions;
- Excellent interpersonal skills and the ability to engage with a variety of external stakeholders;
- Capacity to quickly understand technical content and relay it to different target groups;
- Keen interest in nutrition and health policies as well as European affairs;
- Strong drafting skills and an excellent command of English; other languages are a plus;
- Some experience managing projects and moderating meetings;
- Independent work style, service-minded, ability to multi-task, prioritize and work with tight deadlines; attention to detail;
- Advanced end user IT skills.

Offer

- Permanent and full time contract;
- Opportunity to work in a respected European trade association in a highly dynamic and multicultural environment;
- A varied role with the opportunity to take on more responsibility over time;
- An attractive salary commensurate with the qualifications and skills of the successful candidate, plus benefits including hospitalization insurance, meal vouchers etc.;
- Position based in Brussels with the option for some home working.

Application

Candidates are invited to submit their CV and motivation letter to b.spath@specialisednutritioneurope.eu with the title "Application Manager + your name".

Deadline: 10 April 2022
